Complete Pest Control

Who is Complete Pest Control?

About Us

Complete Pest Control is a **pest control company**, serving Port Moresby and Lae since 1993. Our number one priority is keeping our clients happy by protecting its people and property from pests looking to invade their homes and businesses.

Our Team

At Complete Pest Control we're a tight-knit family, dedicated to serving our customers. We each pledge to uphold the highest of quality standards at all times, and thoroughly meet your needs.

Our technicians are passionate about pest control management. Four members of our team are trained and qualified in accordance with **Queensland Pest Management standards**. Our qualified staff members in turn teach and train our technicians the correct pest management practices to assess and service your property.

Services

Overview

Complete Pest Control offers custom **pest control plans** to suit your home and family. We specialize in removal and prevention of infestations by insects and rodents, including cockroaches, fleas, ticks, ants, bees, mice, and a host of other irritating invasive species. We offer monthly, bi-monthly, and quarterly service intervals, with no long-term contracts. We're always available between visits should you need us.

Pest Control

Our technicians carry out a range of pest control treatments. No job too big, no task too small.

- General Pest Treatments
- Bed Bug Treatments
- Bee or Wasp Removal
- Flea & Tick Treatments
- Mosquito Fogging or Misting Treatments
- Rodent Programs
- Termite Treatments
- EcoFume Fumigation of Imports (Lae only)

Sanitary Disposal

Our sanitary team service well over 2,000 sanitary bins per month, replacing each bin on either a weekly, fortnightly or monthly basis. We offer manual lid and automatic lid options.

Window Film Installation

We only source high quality Australian imported window film, ensuring long lasting results. We only source high quality Australian imported window film, ensuring long lasting results. This includes tint film to reflect harmful rays, safety & security film for shatter resistance, and decorative film for increased privacy. Our team regularly apply window film to motor vehicles, commercial and residential properties. Window films we apply include industry leaders 3M, Avery Dennison and Solar Armor.
